Welcome Back Warriors

I hope you are enjoying the remaining time of your summer break. I also hope you are relaxed, recharged and ready to start a new school year. I am delighted that you are part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your child.

All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials and updating student files. Our PTO is gearing up to welcome families, provide volunteer opportunities and offer exciting events and programs throughout the year. We are indeed a joyous and caring school community with the common goals of nurturing responsible, caring students and promoting high-level learning.

Blessings,
Ms. Smith, Academy Director

Sports News

YACA is EXCITED to announce that we are bringing back SPORTS to the academy! BUT WE NEED YOUR HELP! We need parents to volunteer and commit to serving as coaches for teams in order for our students to have this experience.

During the Back to School Bash Meet and Greet and Parent Orientation, there will be an opportunity for you to sign-up for a desired sport. If you don't see your desired sport and you would like to coach, please speak with Ms. Smith and we can get the desired sport added to the school.
