YACA Families,

My continued prayers are that you and your family are safe and healthy, covered by the Blood of Jesus Christ our Lord and Savior. I know that this transition is one that we are all struggling with but through His Grace we will be conquers and YOU are not in this alone! Ms. Smith

I am reaching out today to provide you with updates on how we will continue to move forward to ensure that our students are continuing to learn and our teachers are at your disposal on a daily basis. The measures that we have put in place allows our teachers to coordinate with you to continue uninterrupted education until we can return safely back into our classrooms. We are in prayer that we will be able to return on April 6, 2020. However, we must look at the possibility that this time may have to be pushed back until April 20, 2020, with the new and updated "21 day shut down-essential business category."

Assigned assignments will differ according to each grade level and class. By now, should have received a Remind or email on what your student's classroom will use until our return. We are constantly added things to the curriculum to ensure our students success. We have decided to designate days for parents to drop-off completed work and pick-up new assignments for your student, we ask that you please follow the schedule listed below so that we are in compliance with the state and national guidelines for safety during this time.

Our office will re-open on Monday, March 30, 2020 from 8:30-4:30 daily to help and assist parents with questions, online help, tuition payments, Summer Camp Enrollment and Registration for the 2020-2021 Academic School Year. All additional services which include lunch, before care (\$40), and aftercare (\$40), has been removed from your monthly tuition. If you are in Grades PK3/PK4, please deduct \$50.00 for lunch and grades Kindergarten-Eighth Grade deduct \$60.00 for lunch (if this service is received). We have an amazing staff of teachers and we want to continue to support them as they continue to find creative ways for their students to continue with learning.

We appreciate all of our families and we thank you for your continued support during this time.

Ms. Smith, Young Achievers Christian Academy Director
